Babaji by Supertramp

Fill in the gaps

All of my life I felt that you were listening
watching for ways to help me stay in tune
lord of my dreams, although confusion
keeps trying to decieve
what is it that makes me believe in you?
Babaji, oh won't you come to me
won't you help me face the music
bring it out so we can sing it out
help me to find it before we lose it
at (1) (2) the stars are near
and there's no one to keep you from coming here
and there's no one to shield me before your eyes
is it mine, is it mine, is it mine to know?
I can see it's not too good to me
to be afloat in the sea of glory
babaji, oh how you (3) me
babaji, oh how you (3) me by showing me it's a different story
by showing me it's a different story
by showing me it's a different story your light in the dark is real
by showing me it's a different story your light in the dark is real and I (4) that you know it is how I feel
