

Fill in the gaps

I sit and wait	And as the feeling grows
does an angel contemplate my fate	She brings flesh to my bones
And do they know	And (14) love is dead
The (1) where we go	I'm (15) angels instead
When we're grey and old	And (16) it all she (17) me
'cause I (2) been told	protection
That (3) lets their wings unfold	A lot of (18) and affection
So when I'm (4) in my bed	Whether I'm (19) or wrong
Thoughts (5) through my head	And down the waterfall
And I (6) (7) love is dead	Wherever it may take me
I'm (8) (9) instead	I know that (20) won't (21) me
And (10) it all she offers me protection	When I come to call
A lot of love and affection	She won't forsake me
Whether I'm right or wrong	I'm loving angels instead
And down the waterfall	(Instrumental)
Wherever it may (11) me	And (22) it all she offers me protection
I know (12) life won't break me	A lot of love and affection
When I come to call	Whether I'm (23) or wrong
She won't forsake me	And down the waterfall
I'm (13) angels instead	Wherever it may (24) me
When I'm feeling weak	I know that (25) won't break me
And my pain walks down a one way street	When I come to call
I look above	She won't forsake me
And I know I'll always be blessed with love	I'm (26) instead
