Working With Fire And Steel by China Crisis

I could (1) keep a beat

put a (2) in (3) office
and something out of place inside
When all is said and all is done
my hands that work with a fire and steel
Fashion play your part
to be workers of red
fashion (4) your part
to be workers
While all the time you dance around
and things get fucked and we're to blame
and I couldn't (5) political blue
When all is said and all is done
my (6) that work with a fire and steel
Fashion play your part
to be workers of red
fashion (7) your part
to be workers
When all is said and all is done
my (8) (9) work with a fire and steel
and motionless we'll slip away
