

## Fill in the gaps

You would not believe your eyes		(Please take me away from nere)
If ten million fireflies		Why do I tire of counting sheep?
Lit up the world as I fell asleep		(Please (4) me away from here)
Cause they fill the open air,		When I'm far too tired to fall asleep
And (1) teardrops everywhere		To ten million fireflies
You'd think me rude, but I would just stand and stare		I'm weird 'cause I hate good-byes
I'd like to make myself believe		I got misty eyes as they said farewell (they said farewell)
That planet Earth turns slowly		But I'll (5) where several are
It's hard to say that I'd rather stay awake when I'm asleep		If my dreams get real bizarre
'Cause (2)	is never as it seems	'Cause I saved a few and I keep them in a jar(jar, jar, jar)
Cause I get a thousand hugs		I'd like to make myself believe
From ten thousand lightning bugs		That planet Earth turns slowly
As they try to teach me how to dance		It's hard to say that I'd (6) stay awake when
A foxtrot above my head,		I'm asleep
A sock hop beneath my bed,		'Cause everything is never as it (7) (when I fall
A disco ball is just hanging by a thread (thread, thread)		asleep)
I'd like to make myself believe		I'd (8) to make myself believe
That planet Earth turns slowly		That planet Earth turns slowly
It's hard to say that I'd rather stay (3) when I'm		It's hard to say (9) I'd rather stay awake when I'm
asleep		asleep
Cause everything is never as it seems (when I fall asleep)		'Cause everything is never as it seems (when I fall asleep)
Leave my door open just a crack		I'd like to make myself believe
(Please take me away from here)		That planet Earth turns slowly
Cause I feel like such an insomniac		It's hard to say that I'd rather stay awake when I'm asleep
		Because my dreams are bursting at the seams
