

## Fill in the gaps

The wretched desert takes it's form,
the jackal proud and tight,
in search of you i feel my way,
through slowest heaving night
whatever fear invents,
i swear it make no sense
i reach out through the (1) fence
come down, come talk to me
In the (2) curling storm of desire
unuttered words hold fast
with reptile tongue the lightning lashes
towers built to last
darkness creeps in like a thief
and offers no relief
why are you shaking like a leaf?
come on, come talk to me
Ah please talk to me
won't you please talk to me
we can unlock this misery
come on, come talk to me
I did not (3) to steal
this all is so unreal
can't you show me how you feel
come on, come talk to me
Come talk to me, come talk to me
The earthly power sucks shadowed milk,
from sleepy tears undone
from nippled skin as smooth as silk,
the bugles blow as one
you lie there with your eyes half closed,
like there's noone there at all
there's a tension pulling on (4) face
come on, come talk to me
Won't you please talk to me

if you'd just talk to me unblock this misery if you'd (5)\_\_\_\_\_ talk to me don't you ever change your mind now your future's so defined and you act so deaf so blind come on, come talk to me come talk to me, come talk to me I can imagine the moment \_ the silence breaking out (6)\_\_\_ all the things that we both might say and the heart it will not be denied 'til we're both on the same damn side all the barriers blown away I said please (7)\_\_\_\_\_ to me won't you please come (8)\_\_\_\_\_ to me just like it used to be come on, come talk to me i did not come to steal this all is so unreal can you show me how you feel now come on, come talk to me come talk to me, come talk to me I said (9)\_\_\_\_\_ talk to me if you'd (10)\_\_\_\_\_ talk to me unblock this misery if you'd only talk to me don't you ever change your mind now your future's so defined and you act so deaf so blind come on, come talk to me come talk to me, come talk to me
