Fill in the gaps

	And I oh I yeah
Oh my way to see my friends	Hope that she'd care
Who lived a couple of blocks away from me	Cos I'm a man who'll always be there
As I walked through the subway	Ooh yeah
It must have been about quarter past three	I'm not a man to play around baby
In front of me	Ooh yeah
Stood a beautiful honey with a beautiful body	Cos a one night stand isn't reall fair
She asked me for the time	From the first (5) girl hmm you don't
I said it'd cost her her name	seem to be likt that
A six digit number and a date with me at tomorrow at nine	Cos there's no need to chat for there'll be plebty tine for that
Did she decline? no	From the subway to my home
Did't she mind? I don't think so	Endless ringing of my phone
Was it for real? Damn sure	When you're feeling all alone
What was the deal?	All you gotta do
A pretty girl (1) 24	Is just call me
