

Fill in the gaps

Midnight,	Laying out (11) lie,
and I'm a-waiting	thinking 'bout a life of crime
on the twelve-oh-five	That's what I'll (12) to do
Hoping it'll (1) me	to (13) me away from you
just a little farther down the line	Lovers, I know you've had a few
Moonlight,	But hide your heart (14) the covers
you're (2) a heartache in disguise;	and (15) 'em they're the only one
Won't you keep my heart from breaking	And others, they know just
if it's (3) for a very short time	what I'm going through
Playing with the queen of hearts,	And it's a-hard to be a lover
knowing it ain't really smart	when you say you're (16) in it for fun
The (4) ain't the only fool	Playing with the queen of hearts,
who'll do anything for you	knowing it ain't really smart
Laying out another lie,	The joker ain't the only fool
thinking 'bout a life of crime	who'll do anything for you
That's what I'll (5) to do	Playing with the queen of hearts,
to (6) me away from you	knowing it ain't really smart
Honey, you know it makes you mad	The (17) ain't the (18) fool
Why is (7) telling everybody	who'll do (19) for you
what you have done	Laying out (20) lie,
Baby, I (8) it (9) you sad	thinking 'bout a (21) of crime
But (10) they're handing out the heartaches	That's what I'll have to do
you know you got to have you some	to (22) me away (23) you
Playing with the queen of hearts,	Playing with the queen of hearts
knowing it ain't really smart	(repeat and fade)
The joker ain't the only fool	
who'll do anything for you
