Queen Of Hearts by Juice Newton

Fill in the gaps

Midnight,
and I'm a-waiting
on the twelve-oh-five
Hoping it'll take me
just a (1) farther down the line
Moonlight,
you're (2) a (3) in disguise;
Won't you keep my heart from breaking
if it's only for a very short time
Playing with the queen of hearts,
knowing it ain't really smart
The joker ain't the only fool
who'll do anything for you
Laying out another lie,
thinking 'bout a life of crime
That's what I'll have to do
to keep me away from you
Honey, you know it (4) you mad
Why is everybody telling everybody
what you have done
Baby, I know it makes you sad
But when they're (5) out the heartaches
you know you got to have you some
Playing (6) the queen of hearts,
knowing it ain't really smart
The joker ain't the only fool
who'll do anything for you

Laying out another lie, thinking 'bout a life of crime That's what I'll have to do to keep me away from you Lovers, I know you've had a few But hide your heart beneath the covers and tell 'em they're the only one And others, they know just what I'm going through And it's a-hard to be a lover when you say you're only in it for fun Playing with the queen of hearts, knowing it ain't really smart The joker ain't the (7)_ who'll do anything for you Playing with the queen of hearts, knowing it ain't really smart The joker ain't the (8)___ who'll do anything for you Laying out another lie, thinking 'bout a (9)___ of crime That's what I'll have to do to keep me away from you Playing with the queen of hearts (repeat and fade)
