

Fill in the gaps

Our life together is so precious together,	Well, well, well darling,
We have grown - we have grown,	It's been so long (3) we took the time,
Although our love is still special,	No-one's to blame,
Let's take our chance and fly (1) somewhere	I (4) time (5) so quikly,
alone,	But when I see you darling,
It's been so long since we took the time,	It's (6) we both are falling in love again,
No-one's to blame,	It'll be just like starting over - starting over,
I know time flies so quikly,	Everyday we used to make it love,
But when I see you darling,	Why can't we be making (7) nice and easy,
It's like we both are falling in love again,	It's time to spread our wings and fly,
It'll be just like starting over - starting over,	Don't let another day go by my love,
Everyday we used to make it love,	It'll be just like (8) over
Why can't we be making love nice and easy,	(9) over,
It's (2) to spread our wing's and fly,	Our life together is so precious together,
Don't let another day go by my love,	We have grown - we have grown,
It'll be just like starting over - starting over,	Although our love is still special,
Why don't we take off alone,	Let's take our chance and fly away
Take a trip far, far away,	(10) alone.
We'll be together on our own again,	
Like we used to in the early days,	

- 1. away
- 2. time
