## It's The Only One You've Got by Three Doors Down

now do you (1) where you're going	You hide behind your walls
when you don't (2) where you've been	cause (11) he never hurts
You hide the shame that you're not showing	Forgetting that there's (12) more
and you won't let (3) in	than just knowing better
A crowded street can be a quiet place	Your mistakes do not define you now
when you're walking alone	They tell you who you're not
So now you think that you're the only one	You've got to live this (13) you're given
who doesn't have to try	like it's the only one you've got
and you won't (4) to fail	What would it take
You're so afraid to fly	to get you to say that I'll try
hen I guess you never will	And (14) (15) you say if this
You hide (5) your walls	was the last day of your life
cause maybe he never hurts	You hide (16) your walls
Forgetting (6) there's something more	cause maybe he never hurts
han just knowing better	Forgetting that there's (17) more
Your mistakes do not define you now	than just knowing better
They (7) you who you're not	Your (18) do not define you now
You've got to live this life you're given	They tell you who you're not
ike it's the only one you've got	You've got to (19) (20) life you're given
The memories have (8) you broken	like it's the only one you've got
and the scars have never healed	You (21) behind your walls
The emptiness in you is growing	cause maybe he never hurts
with so little (9) to feel	Forgetting (22) there's so much more
You're scared to look back on the days before	than just knowing better
You're too tired to move on	Your mistakes do not (23) you now
And now you think that you're the only one	They (24) you who you're not
who doesn't have to try	You've got to (25) this (26) you're given
and you won't have to fail	like it's the only one you've got
You're so afraid to fly
