

Fill in the gaps

She (1) (2) she knew nothing lasts	Be like you
Didn't care to look lika (3) else	Just like you
And she was beautiful, so beautiful	And when I go to (16) at night
I still hear her laugh (4) she's here	I'll thank you for each blessed thing surrounding me
Shower it down on all the young	For every fall I'll ever break
It isn't so wrong to have such fun	Each moment's breath I wanna taste
Forever angel	Confidence and conscience
I (5) (6) love you (7) we do	Decadent extravagance
Forever angel	Never (17) providence
I'll be proud to be like you	For loving (18) I had the chance
Be like you	Angel
(I'll be (8) to be like you)	I (19) (20) love you (21) we
Does the sun (9) up at you when you're looking	do
down	Forever angel
Do you get along with the others around	I'll be proud to be (22) you
It's got to be better (10) before	Forever angel
You don't need to (11) now you're gone	I'll be (23) to be like you
Forever angel	Be like you
I (12) (13) (14) you like we	I'll be proud to be (24) you
do	
Forever angel	
I'll be (15) to be like you
