

Fill in the gaps

Go on	Although I'm not asleep
Go on	And I never want to wake up
Leave me breathless	Don't lose it
Come on	Don't leave it
Yeah	So go on, go on,
The daylight's fading slowly	Come on leave me breathless
But time with you is standing still	Tempt me, tease me,
I'm (1) for you only	Until I can't (5) this (6) feeling
The slightest touch and I feel weak	Make me long for your kiss
I (2) lie	Go on, go on, yeah
From you I cannot hide	Come on
And I'm losing the will to try	And I can't lie
Can't hide it	From you I cannot hide
Can't fight it	And I've lost my will to try
So go on, go on,	Can't hide it
Come on leave me breathless	Can't fight it
Tempt me, tease me,	So go on, Go on,
Until I can't deny this (3) feeling	Come on leave me breathless
Make me (4) for your kiss	Tempt me, tease me,
Go on, go on, yeah	Until I can't (7) this lovin' feeling
Come on	Make me (8) for your kiss
And if there's no tomorrow	Go on, go on, come on leave me breathless
And all we have is here and now	Go on, go on, come on leave me breathless
I'm happy just to have you and	Go on, go on, come on leave me breathless
You're all the love I need somehow	Go on, go on
It's like a dream
