

Fill in the gaps

Close your eyes so you don't feel them	Youth is (14) on the young
They don't need to see you cry	before you (15) it's (16) and gone,too
I can't (1) I will (2) you	soon
But if you want to I will try	You were (17) for (18) dreaming
To sing (3) (4) serenade	and you gave me what I need
The (5) is done we've been betrayed	and I hope you'll (19) (20) freedom
It's true	for eternity, for eternity
Someone (6) the (7) will out	To sing this summer serenade
I believe without a doubt	the past is (21) we've been betrayed
in you	it's true
(chorus)	youth is wasted on the young
You were there for summer dreaming	before you know it's come and gone
and you gave me what I need	too soon
and I hope you'll (8) your freedom	you were there for (22) dreaming
for eternity, for eternity	and you are a (23) indeed
Yesterday when we were walking	and I hope you'll (24) (25) freedom
You talked (9) your ma and dad,	for eternity
What they did (10) made you happy,	you (26) there for summer dreaming
What (11) did (12) made you sad.	and you gave me what I need
We sat and watched the sun go down	and I know you'll find your freedom
Then picked a (13) before we lost	eventually
the moon	For eternity, for eternity
