Walk Away by Franz Ferdinand

Fill in the gaps

I swapped my innocence for pride		Mascara bleeds into my eye
Crushed the end within my stride		I'm not cold
Said I'm (1)	now I know that I'm a leaver	I am old
I love the sound of you walking away		At least
Mascara (2)	a blackened tear	As old as you are
And I am cold		As you walk away?
Yes, I'm cold		As you walk away
But not as cold as you are		My headstone crumbles down
I love the (3) o	f you walking away	As you walk away
Why don't you walk away?		The Hollywood winds a-howl
Why don't you walk away?		As you walk away
No buildings (4) f	fall down	The Kremlin's falling
Why don't you walk away?		As you walk away
No quake will (5)	the ground	Radio Four is STATIC
Why don't you (6)	away?	As you walk away
The sun won't swallow the sky		The stab of stiletto
Why don't you walk away?		On a silent night
Statues will not cry		Stalin Smiles
Why don't you walk away?		Hitler laughs
I cannot turn to see those eyes		Churchill claps
As apologies may rise		Mao Tse Tung
I must be (7)	and (8) an unbeliever	on the back
And (9) the sound of you walking away		

- 1. strong
- 2. bleeds
- 3. sound
- 4. will
- 5. split
- 6. walk
- 7. strong
- 8. stay
- 9. love
