

## Fill in the gaps

One by one		Out of time	
every courtesy is gone		Every step I take	
and the (1)	begins	is further (8) th	ne line
Bring on the clowns		Here I (9) le	ft behind
Pain is quiet		My (10) open	wide
I've laughed at silence		If you need me you should try	
for the last time		calling the night boy	
Let the show begin		call in	
for the last time		call in the night boy	
Sometimes one,		Say goodnight	
sometimes each of us	s is wrong	Every (11) brir	ngs
but the show begins		the (12)	of my life
Bring on the clowns		Out of tune	
blind to reason		Every (13)	_ I take
These eyes are drear	ming	I (14) it over yo	ou
for the (2)	time	I don't care	
Let the (3)	begin	what people say	
for the last time		I don't care	
Let the (4)	begin	Night is Day	
(Instrumental)		I'll remember if you say	
Bring on the clowns		call in the night boy	
Smiling sweetly		call in	
doubt may leave me		call in the night boy	
for the last time		call in	
Let the (5)	begin	(Instrumental)	
for the (6)	time	Here I (15) I	left behind
Let the show begin		My (16) are op	en wide
Let the show begin		If you (17) me	you should try
for the last time,		calling the (18)	boy
for the last time		call in	
Let the show begin		call in the night boy	
for the last time,		call in	
for the last time		call in the night boy,	
for the last time,		calling the (19)	boy,
for the last time,		calling the (20)	boy,
for the (7)	time	call in	
7. Call In The Night B	oy	call in the (21)	boy
Say goodnight		call in	
Every hour brings			
the morning of my life
