his plan	The mountain top, walk on water
Pull me, grab me, (3) till the bucket can't have me	I got power, feel so royal
I'll be the president one day	One second, I'ma strike oil
January first, oh, you like that gossip	Diamond, platinum, no more for you
Like you the one drinking that god sip dot com	Gotta drill a land, never giving in
Now I gotta work with your tone	Giving up's not an option and (8) get it in
How many rolling stones you want	Witness I got the heart of 20 men
Yeah I got a (4) new spirit,	No fear go to sleep in the lion's den
Speak it and it's done	That flow, that funk that crown
Woke up on the side of the bed like I won	You looking at the king of the jungle now

G5 dealer, U.S to Taiwan	A hundred miles going till them bitches smile
Now who can say that, I (5) play back	Straight game face, it's (10) day
Mama knew I was a needle in a hay stack	See me wanna do the drop from may lay?
A bugatti boy, plus maybach	No trick plays, I'm Bill Gates, take a genius to understand me
I got a feeling it's around asap	Oh, sometimes I get a good feeling, yeah
