Fill in the gaps

Oh, sometimes I get a good feeling, yeah	Get a feeling that I never (4) never
Get a feeling that I never never never had before, no no	(5) had before, no no
I get a good feeling, yeah	I get a good feeling, yeah
Oh, sometimes I get a good feeling, yeah	Oh, sometimes I get a good feeling, yeah
Get a feeling that I never never never had before, no no	Get a feeling that I never never (6) never had
I get a good feeling, yeah	before, no no
Yes I can, (1) to believe (2) I know	I get a good feeling, yeah
what's his plan	The mountain top, walk on water
Pull me, grab me, grab till the bucket can't have me	I got power, feel so royal
I'll be the president one day	One second, I'ma strike oil
January first, oh, you like that gossip	Diamond, platinum, no more for you
Like you the one drinking that god sip dot com	Gotta drill a land, never giving in
Now I gotta (3) with your tone	Giving up's not an option and gotta get it in
How many rolling stones you want	Witness I got the heart of 20 men
Yeah I got a brand new spirit,	No fear go to (7) in the lion's den
Speak it and it's done	That flow, that funk that crown
Woke up on the side of the bed like I won	You (8) at the king of the jungle now
Top like a winner	Stronger than ever can't hold me down
G5 dealer, U.S to Taiwan	A hundred miles (9) till them bitches smile
Now who can say that, I wanna play back	Straight game face, it's game day
Mama knew I was a needle in a hay stack	See me wanna do the drop from may lay?
A bugatti boy, plus maybach	No trick plays, I'm (10) Gates, take a genius to
I got a feeling it's around asap	understand me
Oh, sometimes I get a good feeling, yeah	Oh, sometimes I get a good feeling, yeah
