

## Fill in the gaps

Vinding your way down on Baker Street	He opens the door, he's got that look on his face
ight in your head and dead on your feet	And he asks where you've been
Vell another crazy day	You tell him who you've seen
ou'll drink the night away	And you talk about anything
And forget (1) everything	He's got this dream about buying some land
This city (2) you feel so cold	He's gonna (13) up the booze and the one
t's got so many people but it's got no soul	(14) stands
And it's taken you so long	And (15) he'll settle down
To find out you were wrong	In (16) quiet (17) town
When you (4) it held everything	And forget about everything
ou used to (5) (6) it was so easy	But you (18) he'll (19) keep
ou (7) to say that it was so easy	moving
But you're trying, you're (8) now	You know he's (20) gonna (21)
Another year and (9) you'd be happy	moving
lust one (10) year and then you'd be happy	'Cause he's rolling, he's the rolling stone
But you're crying, you're crying now	And (22) you wake up, it's a new morning
Vay (11) the (12) there's a light in	The sun is shining, it's a new morning
nis place	And you're going, you're (23) home
