Winding your way down on Baker Street	
Light in your head and (1)	on your feet
Well another crazy day	
You'll drink the night away	
And forget about everything	
This city (2) mal	kes you feel so cold
It's got so many (3)	but it's got no soul
And it's taken you so long	
To find out you were wrong	
When you thought it held everything	
You used to think that it was so easy	
You used to say that it was so easy	
But you're trying, you're trying now	
Another (4) and then	you'd be happy
Just one more year and then you'd be happy	
But you're crying, you're crying now	
Way (5) the street the	ere's a light in his place

He (6) the door, he's got that look on his face	
And he asks where you've been	
You tell him who you've seen	
And you talk (7) anything	
He's got this dream about buying some land	
He's gonna give up the booze and the one night stands	
And then he'll settle down	
In some quiet little town	
And forget (8) everything	
But you know he'll always keep moving	
You know he's never gonna stop moving	
'Cause he's rolling, he's the rolling stone	
And when you (9) up, it's a new morning	
The sun is shining, it's a new morning	
And you're going, you're going home
