

Fill in the gaps

I'm not the (1) to get my heart broken	This time was different
I'm not the type to get upset and cry	Felt like, I was just a victim
Cause I (2) leave my (3) open	And it cut me (14) a knife
Never hurts me to say goodbye	When you walked out of my life
Relationships don't get deep to me	Now I'm, in this condition
Never got the whole in (4) thing	And I've, got all the symptoms
And someone can say they (5) me truly	Of a (15) with a broken heart
But at the time it didn't mean a thing	But no matter what you'll (16) see me cry
My mind is gone, I'm (6) round	How did I get here (17) you, I'll never know
And deep inside, my tears I'll drown	I never meant to let it get so, personal
I'm (7) grip, what's happening	After all I tried to do, (18) away from
I stray from love, this is how I feel	(19) you
This (8) was different	I'm broken-hearted, I can't let you know
Felt like, I was just a victim	And I won't let it show
And it cut me (9) a knife	You won't see me cry
When you walked out of my life	This (20) was different
Now I'm, in this condition	Felt like, I was (21) a victim
And I've, got all the symptoms	And it cut me like a knife
Of a girl with a (10) heart	When you (22) out of my life
But no matter what you'll never see me cry	Now I'm, in (23) condition
Did it happen when we first kissed	And I've, got all the symptoms
Cause it's (11) me to let it go	Of a (24) with a (25) heart
Maybe (12) we spent so much time	But no (26) what you'll never see me cry
And I know that it's no more	This time was different
I shoulda never let you hold me baby	Felt like, I was (27) a victim
Maybe why I'm sad to see us apart	And it cut me like a knife
I didn't (13) to you on purpose	When you walked out of my life
Gotta figure out how you stole my heart	Now I'm, in this condition
My mind is gone, I'm spinning round	And I've, got all the symptoms
And deep inside, my tears I'll drown	Of a girl (28) a broken heart
I'm losing grip, what's happening	But no matter what you'll never see me cry
I stray from love, this is how I feel	All my life
