I'm not the type to get my heart broken	This time was different
I'm not the type to get upset and cry	Felt like, I was just a victim
Cause I never leave my heart open	And it cut me like a knife
Never hurts me to say goodbye	When you walked out of my life
Relationships don't get deep to me	Now I'm, in this condition
Never got the (1) in love thing	And I've, got all the symptoms
And someone can say they love me truly	Of a girl with a broken heart
But at the time it didn't mean a thing	But no matter what you'll never see me cry
My mind is gone, I'm spinning round	How did I get here with you, I'll never know
And deep inside, my tears I'll drown	I never meant to let it get so, personal
I'm losing grip, what's happening	After all I tried to do, (8) away from loving you
I (2) from love, (3) is how I feel	I'm broken-hearted, I can't let you know
This time was different	And I won't let it show
Felt like, I was (4) a victim	You won't see me cry
And it cut me like a knife	This time was different
When you walked out of my life	Felt like, I was just a victim
Now I'm, in (5) condition	And it cut me like a knife
And I've, got all the symptoms	When you walked out of my life
Of a girl with a broken heart	Now I'm, in this condition
But no matter what you'll never see me cry	And I've, got all the symptoms
Did it happen when we first kissed	Of a girl with a broken heart
Cause it's hurting me to let it go	But no matter what you'll never see me cry
Maybe cause we spent so much time	This time was different
And I (6) that it's no more	Felt like, I was just a victim
I shoulda never let you (7) me baby	And it cut me like a knife
Maybe why I'm sad to see us apart	When you (9) out of my life
I didn't give to you on purpose	Now I'm, in this condition
Gotta figure out how you stole my heart	And I've, got all the symptoms
My mind is gone, I'm spinning round	Of a girl (10) a broken heart
And deep inside, my tears I'll drown	But no matter what you'll never see me cry
I'm losing grip, what's happening	All my life
