

## Fill in the gaps

You take a (1) breath	You're gonna believe them
And you walk through the doors	And when you're fifteen
It's the mornin of your (2) first day	And your first kiss makes your head spin around
You say hi to your friends you ain't seen in a while	But in your life you'll do things
And try to stay out of everybody's way	Greater than datin the boy on the football team
It's your freshman year	I didn't know it at fifteen
And you're gonna be here for the next 4 years	When all you wanted
In this town	Was to be wanted
Hopin' one of those Senior boys	Wish you could go back
Will wink at you and say you know I have nt seen you around	And tell yourself what you know now
before	Back then I swore I was gonna marry him someday
cause when you're fifteen and somebody tells you they	But I realized some bigger dreams in life
(3) you	And Abigail gave (9) she had
You're gonna believe them	To a boy who changed his mind
And when you're fifteen	And we (10) cried
Feelin' like there's nothin to figure out	cuase when you're fifteen and somebody tells you they love
Count to ten	you
Take it in	You're gonna believe them
This is life before you know who you're gonna be	And when you're fifteen
Fifteen	Don't forget to look before you fall
You sit in class next to red-head Abigail	I've found time can heal most anything
And soon (4) you're best friends	And you just might find who you're supposed to be
Laughi'n at the other girls	I didn't know who I was supposed to be
Who think they're so cool	at fifteen
We'll be out of here as soon as we can	La la la la la la la la
And then you're on (5) very (6) date	la
And he's got a car	You're very first day
And you're feelin like flyin	you Take a deep breath girl
And you're momma's waitin up	And take a deep breath as you walk through the doors
And you're thinkin he's the one	
And you're dancin (7) the room when the	
night ends	
When the night ends	
cause when you're fifteen and (8) tells	
you they love you	

- 1. deep
- 2. very
- 3. love
- 4. enough
- 5. your
- 6. first
- 7. around
- 8. somebody
- 9. everything
- 10. both
