

Fill in the gaps

Swinging in the backyard	I'm seeing stars
Pull up in your fast car	This is all I think of
Whistling my name	Watching all our friends fall
You open up a beer	In and out of Old Paul's
And say get over here	This is my idea of fun
And play your video game	Playing your video games
In your (1) sun dress	It's you, it's you,
Watching me get undressed	It's all for you
Take your body downtown, honey	Everything I do
I say you the bestest	I tell you all the time
Lean in for a big kiss	Heaven is a place on earth with you
Put your favorite perfume on	Tell me all the things you (5) to do
Go play your (2) game	I heard that you like the bad girls
It's you, it's you,	Honey, is that true?
It's all for you	It's better than I ever even knew
Everything I do	They say that the world was built for two
I tell you all the time	Only (6) living if (7) is
Heaven is a place on earth with you	loving you,
Tell me all the things you want to do	Baby now you do.
I (3) that you (4) the bad girls	It's you, it's you,
Honey, is that true?	It's all for you
It's better than I ever even knew	Everything I do
They say that the world was built for two	I tell you all the time
Only worth living if somebody is loving you,	Heaven is a place on earth with you
Baby now you do.	Tell me all the things you (8) to do
Swinging in the old bars	I heard that you like the bad girls
Singing with the old stars	Honey, is that true?
Living for the fame	It's better than I ever even knew
Kissing in the blue dark	They say that the (9) was built for two
Playing pool and wild darts and video games	Only (10) living if somebody is loving you,
He holds me in his big arms	Baby now you do.
