

Fill in the gaps

I know that when you look at me	Without someone to share them with
There's so (1) that you just don't see	Tell me what does it mean
But if you would only take the time	I wanna run to you
I know in my heart you'd find	I wanna run to you
Oh, a girl, who's scared sometimes	Won't ya hold me in your (7) and (8) me
Who isn't always strong	safe from harm
Can't you see the hurt in me	I wanna run to you
I feel so all alone	But if I come to you
I wanna run to you	Tell me will you stay
I (2) run to you	Or will you run away
Won't ya hold me in (3) arms and keep me safe	Run away, no
from harm	I need you here I need you here to wipe away my tears
I (4) run to you	To kiss away my fears
But if I come to you	No if you only knew how much I wanna run to you
Tell me will you stay	Ya know I wanna run to you
Or will you run away	Won't ya hold me in your (9) and keep me safe
Each day, each day I play the role	from harm
Of (5) always in control	I wanna run to you
But at night I come home and turn the key	But if I (10) to you
There's nobody there, no one (6) for me	Tell me will you stay
Oh woah what's the sense of trying hard to find your dreams	Or will you run away
