

Fill in the gaps

I know that (1) you look at me	Without someone to share them with
There's so much that you just don't see	Tell me what does it mean
But if you (2) only take the time	I wanna run to you
I know in my heart you'd find	I wanna run to you
Oh, a girl, who's scared sometimes	Won't ya hold me in your (6) and keep me safe
Who isn't always strong	(7) harm
Can't you see the hurt in me	I wanna run to you
I feel so all alone	But if I come to you
I wanna run to you	Tell me will you stay
I wanna run to you	Or will you run away
Won't ya hold me in your arms and keep me safe from harm	Run away, no
I wanna run to you	I need you here I need you here to wipe away my tears
But if I (3) to you	To kiss away my fears
Tell me will you stay	No if you only knew how much I wanna run to you
Or (4) you run away	Ya know I wanna run to you
Each day, each day I play the role	Won't ya hold me in your (8) and keep me safe
Of someone always in control	(9) harm
But at night I come (5) and turn the key	I wanna run to you
There's nobody there, no one cares for me	But if I come to you
Oh woah what's the sense of trying hard to find your dreams	Tell me will you stay
	Or will you run away
