

## Fill in the gaps

If there's (1) you need	I want you for the rest of my life
All you have to do is say	Together forever and never to part
You (2) you satisfy everything in me	Together forever we two
We shouldn't waste a (3) day	And don?t you know
So don't stop me falling	I would move heaven and earth
It's destiny calling	To be together forever (7) you
A power I just can't deny	So don't stop me falling
It's never changing	It's destiny calling
Can't you hear me I'm saying	A power I just can't deny
I want you for the rest of my life	It's never changing
Together (4) and never to part	Can't you hear me I'm saying
Together forever we two	I want you for the rest of my life
And don?t you know	Together (8) and (9) to part
I would (5) heaven and earth	Together forever we two
To be together forever with you	And don?t you know
If they ever get you down	I (10) move heaven and earth
There's always something I can do	To be together forever with you
Because I wouldn't ever wanna see you frown	Together forever and never to part
I'll always do what's best for you	Together forever we two
There ain't no mistaken	And don?t you know
It's true (6) we're making	I would move heaven and earth
Something to last for all time	To be together forever with you
It's never changing	
Can't you hear me I'm saying
