If there's anything you need	I want you for the rest of my life
All you have to do is say	Together forever and never to part
You know you (1)	Together forever we two
(2) in me	And don?t you know
We shouldn't waste a single day	I (6) move heaven and earth
So don't stop me falling	To be together forever with you
It's destiny calling	So don't stop me falling
A (3) I just can't deny	It's destiny calling
It's never changing	A power I (7) can't deny
