

Fill in the gaps

I haven't slept at all in days
It's been so long since we've talked
And I have been here many times
I just don't know what I'm doing wrong
What can I do to make you (1) me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there
There's only so much I can take
And I (2) got to let go
And who knows I might feel better, yeah
If I don't try and I don't hope
What can I do to make you (3) me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there
No (4) waiting, no more, aching

e, trying
more to say
way I'm calm
mine
o let it fly
you love me
you care
ou feel this
here
u love me
u care
ke you feel this
here
