

Fill in the gaps

Imagine me and you, I do	And you and me	
I (1) (2) you day and night	No (9) how they (10)	the dice
It's only right	It had to be	
To think about the girl you love	The (11) one for me is you	
And hold her tight	And you for me	
So (3) together	So (12) together	
If I should (4) you up	{Refrain}	
Invest a dime	Me and you	
And you say you belong to me	And you and me	
And ease my mind	No (13) how they (14)	the
Imagine how the world (5) be	dice	
So (6) fine	It had to be	
So (7) together	The only one for me is you	
{Refrain}	And you for me	
I can't see me lovin' nobody but you	So happy together	
For all my life	So happy together	
When you're with me	How is the weather	
Baby the (8) will be blue	So happy together	
For all my life	We're happy together	
Me and you	So happy together
