

Fill in the gaps

Life is a waterfall,	But we find it all
We're one in the river,	Cause we are the (13) that (14) to play,
And one (1) after the fall.	Always want to go,
Swimming (2) the void	But you never want to stay,
We hear the word,	And we are the (15) that (16) to
We lose ourselves,	choose,
But we find it all	Always want to play,
Cause we are the ones that (3) to play,	But you (17) want to lose,
Always want to go,	ohhh
But you (4) want to stay,	Aerials, in the sky,
And we are the (5) (6) want to choose,	When you (18) small mind,
Always (7) to play,	You (19) (20) life.
But you never want to lose.	Aerials, so up high,
Aerials, in the sky,	When you free your eyes,
When you (8) small mind,	Eternal prize.
You free your life.	Aerials, in the sky,
Life is a waterfall,	When you (21) small mind,
We (9) the river,	You (22) your life.
Then we turn (11) and put up our walls.	Aerials, so up high,
Swimming through the void	When you (23) your eyes,
We hear the word,	Eternal prize.
We (12) ourselves,
