#### Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of (1) we were together	But I don't (14) live that way, reading into every
Like when you said you felt so happy you could die	(15) you say
Told myself that you (2) right for me	You said that you could let it go
But (3) so lonely in your company	And I wouldn't catch you hung up on somebody that you used
But that was love and it's an ache I still remember	to know
You can get addicted to a certain kind of sadness	But you didn't have to cut me off
Like resignation to the end, always the end	Make out like it never happened and that we (16)
So, when we found that we could not make sense	nothing
Well, you (4) (5) we would still be	And I don't even need your love
friends	But you (17) me like a stranger and that feels so
But I'll admit that I was glad that it was over	rough
But you didn't have to cut me off	No, you didn't have to (18) so low
Make out like it never happened and that we were nothing	Have (19) friends collect (20)
And I don't (6) need your love	(21) and then change your number
But you treat me (7) a stranger and that feels so	I guess that I don't need, that though
rough	Now you're just somebody that I used to know
No, you didn't have to stoop so low	Somebody, I used to know
Have your friends collect your (8) and then	Somebody, now you're just (22)
change your number	(23) I used to know
I (9) that I don't need, (10) though	Somebody, I used to know
Now you're (11) somebody (12) I used	Somebody, now you're just somebody that I (24) to
to know	know
Now you're (13) somebody that I used to know	I used to know
Now you're just somebody that I used to know	That I used to know
Now and then I think of all the times you screwed me over	I (25) to know
But had me believing it was always something that I'd done	Somebody
