Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together	But I don't (5) live (6) way, reading
Like when you said you felt so happy you could die	into every word you say
Told myself that you were (1) for me	You said that you could let it go
But felt so lonely in your company	And I wouldn't catch you hung up on somebody that you used
But that was love and it's an ache I still remember	to know
You can get addicted to a certain kind of sadness	But you didn't have to cut me off
Like resignation to the end, always the end	Make out like it never happened and that we were nothing
So, when we found that we could not make sense	And I don't even need your love
Well, you said that we would still be friends	But you treat me (7) a stranger and that feels so
But I'll admit that I was glad (2) it was over	rough
But you didn't have to cut me off	No, you didn't have to stoop so low
Make out like it never happened and that we were nothing	Have your friends collect your records and then change your
And I don't even (3) your love	number
But you treat me like a stranger and that feels so rough	I guess that I don't need, that though
No, you didn't have to stoop so low	Now you're just somebody that I used to know
Have your friends collect your records and then change you	r Somebody, I (8) to know
number	Somebody, now you're just somebody (9) I
I guess that I don't need, that though	(10) to know
Now you're just somebody that I used to know	Somebody, I used to know
Now you're just somebody that I used to know	Somebody, now you're just somebody that I used to know
Now you're just (4) that I used to know	I used to know
Now and then I think of all the times you screwed me over	That I used to know
But had me believing it was always something that I'd done	I used to know
