and you (1)	I called you out don't	I could see it as you turned to stone
please		still clearly I can (4) you say
I said we're stronger than this now		don't ,please, don't give up on me
you resurrected mistakes years past it seemed		two weeks and you ran away
and they exist to still haunt you		I remember don't lie to me
and (2)	you feel like the loneliness	you couldn't see that it was not that way
is better replaced by this		swear I never gave up on you
I don't believe it this way		and you neglected I called you out don't please
and I can see the	fear in your eyes	I (5) we're (6) than this now
I've seen it materialize		You feared of (7) and none exist but yo
Growing stronger each day		you still saw fit to destroy it
I could see it as you turned to stone		and I can see the fear in your eyes
Still clearly I can hear you say		I've seen it materialize
don't, please don't, give up on me		growing stronger each day
two weeks and you ran away		I could see it as you turned to stone
I remember don't lie to me		still clearly I can hear you say
you couldn't see that it was not that way		don't, please, don't give up on me
swear I never gave up on you		two weeks you ran away
I wanted nothing but for that trust again		I could see it as you turned to stone
and brick by brick you would take it		still clearly I can hear you say
You feared of phantoms and none exist but you		don't, please, don't give up on me
you still saw fit to destroy it		two weeks and you ran away
and still you feel like the loneliness		I (8) don't lie to me
is better replaced by this		you couldn't see that it was not (9) way
I don't believe it this way		swear I (10) gave up on you
and I can see the	fear in your (3)
