She was looking kind of (1) with her	Hey now you're an All Star get your game on, go play
(2) and her thumb	Hey now you're a (13) Star get the show on get
In the shape of an 'L' on her forehead	paid
Well the (3) start (4) and they	And all (14) glitters is gold
don't stop coming	Only shooting stars
Fed to the rules and I hit the ground running	Somebody once asked (15) I spare some
Didn't (5) sense not to live for fun	change for gas
Your brain gets smart but your head gets dumb	I need to get myself (16) (17) this place
So much to do so much to see	I (18) yep (19) a concept
So what's wrong with taking the back streets	I could use a little fuel myself
You'll never know if you don't go	And we (20) all use a little change
You'll never shine if you don't glow	Well the years start coming and they don't stop coming
Hey now you're an All Star get (6) game on, go	Fed to the rules and I hit the ground running

And all that glitters is gold	So (23) to do so much to see
Only shooting stars break the mold	So what's wrong with taking the (24) streets
It's a cool place and they say it gets colder	You'll never know if you don't go
You're bundled up now but wait 'til you get older	You'll never shine if you don't glow
But the meteor men beg to differ	Hey now you're an All Star get your game on, go play
Judging by the hole in the satellite picture	Hey now you're a Rock Star get the show on get paid
The ice we (8) is (9) pretty	And all that glitters is gold
