

## Fill in the gaps

In (1) a moment truth was seen	Would you take the place of this man
Revealed (2) mystery	Would you take the nails from his hands
The crown that showed no dignity he wore	And we just don't know
And the (3) was placed for all the world to show	The blood and water flowed
disgrace	And in it all He showed
But only beauty flowed from this place	Just how much He cared
Would you take the place of this man	And the veil was torn
Would you take the nails from his hands	So we could have (5) (6) door
Would you take the (4) of this man	And all these things (7) (8) been
Would you take the nails from his hands	complete
He held the weight of impurity	Would you take the place of this man
The Father would not see	Would you take the nails from his hands
The reasons had finally come to be to show	Would you (9) the place of (10) man
The depth of His grace flowed with every sin erased	Would you take the nails from his hands,
He knew that this was why he came	from his hands, from his hands, from his hands
Would you take the place of this man	
Would you take the nails from his hands
