But only beauty flowed from this place	Just how much He cared
Would you take the place of this man	And the veil was torn
Would you take the nails from his hands	So we could (7) this open door
Would you take the place of this man	And all (8) things have finally been complete
Would you take the nails (3) his hands	Would you take the place of this man
He (4) the weight of impurity	Would you take the nails from his hands
The Father would not see	Would you take the place of this man
The reasons had finally come to be to show	Would you take the nails from his hands,
The depth of His grace flowed (5) every sin erased	from his hands, from his hands, from his hands
He knew that this was why he came	
Would you take the (6) of this man	
Would you take the nails from his hands
