I can see how you are beautiful, can you feel my eyes on you,	Talk to me, show some pity
I'm shy and turn my head away	You touch me in many, many ways
Working late in diner Citylight, I see that you get home alright	But I'm shy can't you see
Make sure (1) you can't see me, hoping you will	I see, can't have you, can't leave you, there 'cause I must
see me	sometimes see you
Sometimes I'm wondering why you look me and you blink your	And I don't understand how you can keep me in chains

You can't be acting like my Dana (can you)	From me and I can't live
I see you in Citylight diner serving all those meals and then	Repeating the scenery over again
I see (2) of me in your eye, oh	Sometimes I'm wondering why you (7) me and you

Obsessed by you, your looks, well, anyway "I (4)	Talk to me, show some pity
any day die for you",	You touch me in many, many ways
