How long how long will I slide	Push the (5) and pull the thread
Separate my side	I've got to (6) it on the otherside
I don't	Take it on the otherside
I don't believe it's fair	Take it on
Slittin' my throat	Take it on
It's all I ever	How long how long will I slide
l heard your (1) through a photograph	Separate my side
I thought it up and brought up the past	I don't
Once you know you can never go back	I don't believe it's fair
I've got to take it on the otherside	Slittin' my throat
Centuries are what it meant to me	It's all I ever
A cemetery where I married the sea	Turn me on, (7) me for a hard ride
Stranger (2) could never change my mind	Burn me out leave me on the otherside
I've got to (3) it on the otherside	I yell and (8) it that
Take it on the otherside	It's not my friend
Take it on	I tear it down I tear it down
Take it on	But then it's born again
How long how long will I slide	How long how long will I slide
Separate my side	Separate my side
I don't	I don't
I don't believe it's fair	I don't believe it's fair
Slittin' my throat	Slittin' my throat
It's all I ever	It's all I ever
Pour my life into a paper cup	How long how long
The ashtray's full and I'm spillin' my guts	I don't
She (4) to know am I still a slut	I don't (9) it's fair
I've got to take it on the otherside	Slittin' my throat
A scarlet starlet and she's in my bed	It's all I ever
