## Gotta Be Somebody by Nickelback

## Fill in the gaps

This time, I wonder what it (1) like	Someone to love with my life in their hands
To find the one in this life, the one we all dream of	There's gotta be somebody for me like that
But dreams just aren't enough	Cause nobody wants to go it on their own
So I'll be (2) for the real thing, I'll know it by	And everyone wants to know they're not alone
the feeling	There's somebody else that feels the same somewhere
The moment when we're meeting, will play out like a scene	There's gotta be somebody for me out there
Straight off the silver screen	You can't give up, (when you're looking for) a diamond in the
So I'll be holding my breath, right up 'til the end	rough (cause you never know)
Until that moment when, I find the one that I'll spend forever	When it shows up, (make sure you're holding on)
with	Cause it could be the one, the one you're waiting on
Cause nobody wants to be the last one there	Cause nobody (7) to be the last one there
Cause everyone (3) to feel like someone cares	And everyone wants to (8) like someone cares
Someone to love with my life in their hands	Someone to love with my (9) in their hands
There's gotta be somebody for me like that	There's gotta be somebody for me, oh
Cause nobody wants to go it on their own	Nobody wants to go it on their own
And everyone wants to know they're not alone	And everyone wants to (10) they're not alone
There's somebody else that feels the (4)	There's somebody else that feels the same somewhere
somewhere	There's gotta be somebody for me out there
There's gotta be somebody for me out there	Nobody wants to be the last one there
Tonight, out on the street, out in the moonlight	Cause everyone wants to feel like someone cares
And dammit this feels too right, it's just like déja vu	There's somebody else that feels the same somewhere
Me standing here with you	There's gotta be somebody for me out there
So I'll be holding my breath, could this be the end?	
Is it that (5) when, I find the one that I'll spend	
forever with	
Cause nobody wants to be the last one there	
Cause everyone wants to feel (6) someone cares
