Come one and all and see the broken man,	That broken man is me
Talking to himself	There it goes again, I can hear it louder
He (1) and waits for (2)	It doesn't feel (6) anymore
better,	All I want to know is
He'll never (3) it here	Why, does any of it matter? (I can't take it anymore)

And pinch his cheek, he can't even (4) it	(8) so much better
There it goes again, he's listening to someone	Now I know I disappear
He hears the bitter laughter	I can't find my way from out of here
And all he wants to (5) is	Everything is fading on me
Why, does any of it matter? (I can't take it anymore)	Someone tell me
You've gotta try, the inhale that makes the exhale so much	Someone tell me
better	Someone tell me
He wipes his hands on anything in reach,	Why, does any of it matter? (I can't take it anymore)
He never feels clean	You've gotta try, the inhale that (9) the exhale so
He shakes at night because his nerve is gone,	much better
Every muscle hurts	Why? You've gotta try
