If Today Was Your Last Day by Nickelback

My best friend gave me the best advice	Swear up and down to God above
He said each day's a gift and not a given right	That you finally fall in love
Leave no stone unturned, leave your fears behind	If (5) was your (6) day
And try to take the path less traveled by	If today was your last day
That first step you (1) is the longest stride	Would you make your mark by mending a broken heart?
If today was (2) last day	You know it's never too late to shoot for the stars
And tomorrow was too late	Regardless of who you are
Could you say goodbye to yesterday?	So do whatever it takes
Would you live each moment like your last?	'Cause you can't rewind a moment in this life
Leave old pictures in the past	Let nothin' stand in your way
Donate every dime you have?	Cause the (7) of (8) are never on
If (3) was your last day	your side
Against the grain should be a way of life	If today was your last day
What's worth the prize is always worth the fight	And tomorrow was too late
Every second counts 'cause there's no second try	Could you say (9) to yesterday?
So live like you'll never live it twice	Would you live each moment like your last?
Don't take the free ride in your own life	Leave old pictures in the past
If today was your last day	Donate every (10) you have?
And tomorrow was too late	Would you call old friends you never see?
Could you say goodbye to yesterday?	Reminisce old memories
Would you live each moment like your last?	Would you forgive your enemies?
Leave old pictures in the past	Would you find that one you're dreamin' of?
Donate every dime you have?	Swear up and down to God above
Would you call old (4) you never see?	That you finally fall in love
Reminisce old memories	If today was your last day
Would you forgive your enemies?
