If Today Was Your Last Day by Nickelback

My best friend (1) me the best advice	Swear up and down to God above
He said each day's a gift and not a given right	That you (16) fall in love
Leave no stone unturned, (2) your fears behind	If today was (17) last day
And try to take the (3) less traveled by	If today was (18) last day
That (4) step you (5) is the longest	Would you make (19) mark by mending a
stride	(20) heart?
If today was your last day	You know it's never too (21) to shoot for the stars
And tomorrow was too late	Regardless of who you are
Could you say (6) to yesterday?	So do whatever it takes
Would you live (7) moment like your last?	'Cause you can't rewind a (22) in
Leave old pictures in the past	(23) life
Donate every (8) you have?	Let nothin' stand in (24) way
If (9) was your last day	Cause the hands of time are never on (25) side
Against the grain should be a way of life	If today was your last day
What's (10) the prize is (11)	And tomorrow was too late
worth the fight	Could you say goodbye to yesterday?
Every second counts 'cause there's no second try	Would you live (26) moment like your last?
So live like you'll never live it twice	Leave old pictures in the past
Don't take the free ride in your own life	Donate every dime you have?
If today was your last day	Would you call old friends you never see?
And tomorrow was too late	Reminisce old memories
Could you say goodbye to yesterday?	Would you forgive your enemies?
Would you live (12) moment like your last?	Would you find that one you're dreamin' of?
Leave old pictures in the past	Swear up and down to God above
Donate every (13) you have?	That you finally fall in love
Would you call old (14) you never see?	If today was your (27) day
Reminisce old memories	
Would you forgive your enemies?	
Would you (15) that one you're dreamin' of?
