If Today Was Your Last Day by Nickelback

My best friend gave me the best advice	Swear up and down to God above
He said each day's a gift and not a given right	That you finally fall in love
Leave no stone unturned, leave your fears behind	If today was your last day
And try to take the path less traveled by	If today was your last day
That first step you take is the longest stride	Would you make your mark by mending a broken heart?
If today was your last day	You (1) it's never too (2) to shoot for
And tomorrow was too late	the stars
Could you say goodbye to yesterday?	Regardless of who you are
Would you live each moment like your last?	So do whatever it takes
