

## Fill in the gaps

The stars lean (1) to (2) you,	But drenched in Vanilla twilight,
And I lie awake I miss you,	I'll sit on the front porch all night,
Pour me a (3) dose of atmosphere.	Waist (11) in thought because when I think of you.
Cause I'll doze off safe and soundly,	I don't feel so alone.
But I'll miss your arms around me	I don't (12) so alone.
I'll send a postcard to you dear,	I don't feel so alone.
Cause I (4) you (5) here.	As many times as I blink I'll (13) of you tonight.
I'll watch the night turn light blue,	
But it's not the same (6) you,	I'll think of you tonight.
Because it takes two to whisper quietly,	When (14) eyes get brighter,
The silence isn't so bad,	And (15) (16) grow lighter,
Till I look at my hands and feel sad,	I'll taste the sky and feel (17) again.
Cause the (7) between my	And I'll forget the (18) (19) I knew,
(8)	But I (20) I won't (21) you,
Are (9) where yours fit perfectly.	Oh if my (22) (23) reach back
I'll find repose in new ways,	(24) the past,
Though I haven't (10) in two days,	I'd whisper in (25) ear,
Cause cold nostalgia chills me to the bone.	Oh darling I wish you were here.
