Fill in the gaps

Underneath Your Clothes by Shakira

	And all the things I deserve
You're a song, written by the hands of God	For being such a (4) girl
Don't get me wrong, 'cause this might sound to you a bit odd	For being such a hey, hey, hey, hey
But you own the place where all my (1)	I love you more than all that's on the planet
go hiding	Movin' talkin' walkin' breathing
Right under your clothes is where I'll find them	You know it's true, Oh babe it's so funny
Underneath your clothes there's an endless story	You almost don't believe it
There's the man I chose, there's my territory	As every voice is hanging from the silence, lamps are hanging
And all the things I deserve	(5) the ceiling
For being such a good girl, honey	Like a lady tied to her manners, I'm (6) up to this
'Cause of you, I forgot the smart ways to lie	feel
Because of you, I'm running out of (2) to	Underneath your (7) there's an
cry	(8) story
When the friends are gone, when the party's over	There's the man I chose, there's my territory
We will still belong to each other	And all the things I deserve
Underneath your clothes there's an (3)	For being such a good girl, honey
story	Underneath your clothes, ah wha ho oh woah
There's the man I chose, there's my territory	There's the man I chose, there's my territory
And all the things I deserve	And all the things I deserve
For being such a good girl, honey	For (9) such a (10) girl
Underneath your clothes there's an endless story	For being such a good girl
There's the man I chose, there's my territory
