

## Fill in the gaps

I'll tell ya what to do when your life has you in a bind	Come around, come around
When you're calling up on luck,	I can't live without
But the Beep Beep is all that you find	Whoa, wanna rock this feeling off the ground
And there's nothing you can do about it	Wanna lift you up
Cuz there's more than is (1) the eye	Whoa, wanna rock, rock 'till the morning dawn
Now I wantcha to know	Morning dawn
That you're (2) of the show	One crowd, one hymn
Come around, come around	Now let the show begin
I can't live without	One time again
Whoa, (3) (4) this feeling off the	Around, come around, come around
ground	I can't live without
Wanna lift you up	Whoa, wanna rock this feeling off the ground
Whoa, wanna rock, rock 'till the morning dawn	Wanna (8) you up
Morning dawn	Whoa, (9), (10), , rock 'till the morning
All I wanna (5) put a smile back there on	dawn
(6) face	Rockin' and rollin' and rockin' and rollin' and
Just forget (7) the blues	Whoa, wanna rock this feeling off the ground
Cuz we need you here to shake up the place	Wanna lift you up
And there's nothing you can do about it	Whoa, wanna rock, rock 'till the morning dawn
Cuz there's more than is meeting the eye	Morning dawn
Now I wantcha to know	
That you're part of the show
