Everyday Heroes 911 by Dave Carroll

Firefighters at the station	That's (12) the (13) in
Listen as the tone goes out	These women and men.
Fire alarms activating	'Cause they've made a promise
And the building is (1) smoke	And (15) come
And so the engine goes	Someone (17) calling 911
To trouble again.	And the siren's saying
These people at the scene just watching	Hope is on the way
People (2) out for their lives	There's a hero racing
The firefighters get (3) help	to (18) a stranger again.
Then now they go looking for more inside	When people in the world need saving
Cause that's just (4) they do	a saviour's who answers the call
These (5) and men.	Don't get paid any more for danger
'Cause they've made a promise	Or get to (19) the (20) they want
And here they come	They just go the way the few will go
Someone hurting calling 911	May be they'll lay it all on the line
And the siren's saying	As they do (21) job
Hope is on the way	They'd do it one (22) time.
There's a hero racing	'Cause they've made a promise
to (6) a stranger again.	And (23) come
Saturday night in the city	Someone hurting calling 911
A cruiser (7) a dispatch call	And the siren's saying
Little girl (8) her daddy's mad	Hope is on the way
And drank a (9) of alcohol	There's a hero racing
And so they head away	to help a stranger again.
To trouble again.	There's a hero racing
People at the house are screaming	to help a stranger again.
Someone yells, "He's got a gun!"	
Little girl (10) of (11) cries out	
"Daddy, don't you shoot my mum"
