

Fill in the gaps

The nights are growing longer now	Someone else inside me
And I can't think of (1) but you	I'm stepping out the edge, I'm on the borderline
Do you feel the same way too	Ain't gonna make the same mistakes this time
Outside the windows, (2) are brown	Cause (8) I want
Like words of passion falling down, it's true	Everything I do
The one's I've never heard (3) you	Is trying to find myself again
Remember, love was such an easy game to play	'cause life can be so cruel
Those days are flown a (4) miles away	For anything I've done
Everything I want	And things that I did wrong
Everything I do	I'm asking to forgive me 'cause it's obvious
Is (5) to find myself again	I'm guilty of loving you
'cause life can be so cruel	Guilty of loving you
For (6) I've done	Now (9) I want
And things that I did wrong	Everything I do
I'm asking to forgive me 'cause it's obvious	Is trying to find myself again
I'm guilty of loving you	'cause life can be so cruel
I'll take the chance, this is my life	For anything I've done
I'm gonna make the (7) of what I am	And things that I did wrong
I really need to understand	I'm asking to (10) me 'cause it's obvious
And should I fail or recognize	It's clear that I was guilty of loving you
The mirror's not reflecting what I want to see
