

## Fill in the gaps

### More Than This by One Direction

I'm broken, do you hear me  
I am blinded, but you are everything I see  
I'm dancing, alone  
I'm praying, that your heart will just turn around  
And as I walk up to your door  
My head turns to (1)\_\_\_\_\_ the floor  
Cause I can't look you in the eyes and say  
When he opens his arms and holds you close tonight  
It just won't feel right  
Cause I can love you more than this  
Yeah  
When he lays you down, I (2)\_\_\_\_\_ just die inside  
It just don't feel right  
Cause I could love you more than this  
Can love you (3)\_\_\_\_\_ than this  
If I'm louder, would you see me  
Would you lay down in my (4)\_\_\_\_\_ and  
(5)\_\_\_\_\_ me  
Cause we are the same  
You save me  
When you leave it's gone again  
Then I see you on the street  
In his arms, I get weak  
My body fails, I'm on my knees  
Prayin'  
When he opens his arms and holds you close tonight  
It just won't feel right  
Cause I can love you more than this  
Yeah

When he lays you down, I might just die inside  
It just don't feel right  
Cause I could (6)\_\_\_\_\_ you more than this  
Yeah  
I never had the words to say  
But now I'm asking you to stay  
For a little while inside my arms  
And as you close your eyes tonight  
I (7)\_\_\_\_\_ that you will see the light  
That's shining from the stars above  
Now I say  
When he opens his arms and holds you close tonight  
It just won't feel right  
Cause I can (8)\_\_\_\_\_ you more than this  
Cause I can love you more than this  
When he lays you down, I might just die inside  
It just don't feel right  
Cause I could love you more than this  
Yeah  
When he opens his arms and (9)\_\_\_\_\_ you close  
tonight  
It just won't feel right  
Cause I can love you more than this  
Yeah  
When he lays you down, I might just die inside  
It just don't feel right  
Cause I could love you more than this  
Could love you more than this

## Fill in the gaps

Answer

1. face
2. might
3. more
4. arms
5. rescue
6. love
7. pray
8. love
9. holds
