

## Fill in the gaps

Sometimes I don't know why	And I don't (11) to refuse, we can try
I feel I wanna start crying	I need to believe
I see the children's eyes	Don't lie, it's all about you and I
l've (1) (2) hope (3) away	To (12) it our (13) to (14)
When a (4) is crying for mercy	in
But no ones to hear	Does someone (15) all the answers
It's (5) to turn one's head over	Why people stare and (16) (17) on by
And (6) all the tears	It ain't too (18) for the healing
And I don't (7) to refuse, we can try	Let's give it wings to fly
I (8) to believe	And I don't want to refuse, we can try
Don't lie, it's all (9) you and I	I need to believe
To (10) it our place to live in	Don't lie, it's all (19) you and I
Cool down and think about	To (20) it our place to live in
There ain't no time for excuses, no	I (21) to believe
It's urgent to decide	I (22) to believe
Cuz we don't wanna let go, let go, let go	I need to believe
